

## **NHS SOUTH LINCOLNSHIRE CLINICAL COMMISSIONING GROUP**

### **REMUNERATION COMMITTEE**

#### **TERMS OF REFERENCE**

##### **1. GOVERNANCE NOTE**

South Lincolnshire and South West Lincolnshire CCGs have each established their respective remuneration committees. Each CCG is responsible for fulfilling its own statutory responsibilities as CCGs. However, the two CCGs have identified common areas of interest and ways in which they will be able to access joint knowledge and experience. Accordingly, the CCGs have identified that there is merit in their respective Remuneration Committees meeting together as “committees in common”. Whilst each committee will, of course, retain responsibility for its own functions and will remain accountable to its Governing Body, the CCGs believe that efficiencies may be achieved in sharing administrative/secretarial support, to share views and opinions on relevant issues and, where possible, to achieve consistency across the two CCGs.

Each Remuneration Committee will have its own Terms of Reference and membership, quorum and administrative arrangements will be as stated in those Terms of Reference.

The Chairs of the Committees will share the chairing arrangements for the Committees in Common. Where an agenda item relates to a particular CCG, the Chair of that Remuneration Committee will take the chair for that item.
